Financial Information Database  
Training  
Spring, 2004

# Training Goals

- At the end of today's session, participants should:
  - 1. Understand the functionality of the FID application and know what steps are involved to complete a submission
  - 2. Understand how FID differs from the EDN "Form B" submission
  - 3. Understand how to use FID warning and error reports as a tool to correct data in district accounting systems
  - 4. Be aware of scheduled timelines for FID application availability and submission
  - 5. Know how to find assistance with different types of FID and Chart of Accounts questions

# Center for Educational Performance and Information (CEPI)

- Collecting, managing and reporting data about K-12 schools and students
  - Student (SRSD - individual)
  - Personnel (REP - individual)
  - Financial (FID)
  - Safety/Crime (SID)
  - Performance (MEAP, ACT, etc.)
    - These data are collected from vendors, not districts

# Background

- CEPI collects and reports data on Michigan's K-12 schools & students
- MEIS – Michigan Education Information System
- SRSD, REP, SID, FID, STAR
- FID is a part of MEIS
- FID replaces the old EDN (Education Data Network) system

# Financial Information Database (FID) Timeline

- Fall 2003
  - FID test submission with Pilot Districts **ONLY**
- Spring 2004
  - FID submission opportunity for **ALL** ISD, LEA and PSA districts
  - Districts can compare data with their Fall 2003 Form B submission **OR** submit partial FY 2003-2004 data.
- Fall 2004
  - Submission via FID **ONLY**
  - FY 2003 - 2004 data must comply with the Michigan Public School Accounting Manual Chart of Accounts

# Features

- Facilitates an efficient method of transmitting school district financial information
- Minimizes manual entry of data by school districts
- Generates reports at building and district level
- Integrates with MEIS security framework

# Login Requirements

- You can use your MEIS login and password to access the FID application
- To get access to FID, you will have to download the security agreement, complete and submit it to the DIT Client Services Center
- You should use IE 6.0 to use FID effectively
- District users can access data from one or more districts
- Access permissions to district data are administered by DIT Client Services Center

# Login

Go to the CEPI Web site to log in to the FID application

## Financial Information Database (FID)

Each fall, districts use the Center for Educational Performance and Information's Financial Information Database application to submit information from their annual financial reports, balance sheets, revenues, district expenditures and school expenditures. In order to access the FID, you must hold a valid MEIS account and have submitted a FID security agreement form signed by your Superintendent.

To obtain a MEIS login id, please [click here](#).

# Acceptance Requirements - 1

- CSV and TXT file names should be of valid format:  
<Trx><DistrictCode><FiscalYear><..optional..>.<ext>
  - (See naming convention in FAQs and FID File Layout documents available from the CEPI FID Web site)
- Files should follow valid CSV, TXT or XML format or they will be rejected
- FID will accept files only there are no errors in the files
- Any corrections to uploaded data should be done by re-uploading the file

# Acceptance Requirements - 2

- Once users select the final “Submit to CEPI” option, they cannot re-upload files or update District Data Entry screens.
- After data is submitted to CEPI, only MDOE staff may make corrections.
- You must upload data from your district only. For CSV and TXT files, the FID application identifies the district from the file name only.
- XML files include the district code within the file schema, and the district code must match your security permissions.
